

Eric J. Scherff
Hydrologist
United States Geological Survey
Northern Prairie Wildlife Research Center
8711 37th Street SE
Jamestown, ND 58401
Phone: 701-253-5539
escherff@usgs.gov

EDUCATION

Master of Water Resources, 2011, Water Resources-Hydrosience concentration
University of New Mexico, Albuquerque, NM

Bachelor of Science, 1992, Biological Sciences-Thesis option
University of Missouri-Columbia, Columbia, MO

PROFESSIONAL EXPERIENCE

2011-Present Hydrologist, USGS, Northern Prairie Wildlife Research Center, Jamestown, ND
2007-2011 Hydrologic Technician, USGS, New Mexico Water Science Center,
Albuquerque, NM
2006 Research Assistant 3, University of New Mexico, College of Pharmacy,
Albuquerque, NM
2003-2005 Sr. Research Technician, University of Missouri, Dalton Cardiovascular
Research Center, Columbia, MO
1998-2001 Analyst, ACZ Laboratories, Steamboat Springs, CO
1995-1996 Graduate Research Assistant, Iowa State University, Department of Botany,
Ames, IA
1994 Field Technician-Plant Crew, University of New Mexico, Sevilleta Long Term
Ecological Research Station, Albuquerque, NM
1993 Fisheries Research Technician, University of New Mexico, Ichthyofaunal
Studies Program, Albuquerque, NM
1992 Research Experience for Undergraduates (REU) Student, University of
Missouri, Division of Biological Sciences, Columbia, MO

AWARDS AND HONORS

2011 Master of Water Resources—Master's Examination Passed with Distinction
2009 USGS Peer Award—Rio Grande Seepage Investigation/Drain Synoptic
2008 2nd Place Poster Presentation—University of New Mexico Student Water Symposium

CURRENT MEMBERSHIPS IN PROFESSIONAL SOCIETIES

American Geophysical Union
Society of Wetland Scientists

PUBLICATIONS

- Scherff EJ. 2012. Channel rehabilitation to increase aquatic habitat and reestablish floodplain connectivity on the Upper Gila River (Master's project). Available from UNM LoboVault. (<http://repository.unm.edu/handle/1928/20854>)
